Becky,
I've sure enjoyed this year - take it easy with that car.
Lots of luck to a real nice girl -
Karma
Mr. K. is going to try to teach us something now - it never works with me!

Becky, I enjoyed having another great athlete as gym class this year. But you're still a lot better than I am. I hope we can get together this summer, maybe for a trip to Chicago and try to break our patience. Good luck this summer
Mary

Becky,
I sure had a lot of fun last summer and I hope to have more this summer. Best of luck to a real good kid
Al Roth

Becky,

Haven't the year flown by. Just think, we're halfway through high school already. It sounds as if we're getting old, doesn't it? I'm only sorry that we haven't had some classes together. Best of luck always.

Marielle

Becky,

To a real sweet little girl the very best of luck. I have enjoyed having you in our chorus class. I hope you and Latin get along for you have really studied it hard.

The Yearbook Staff
Dedicates the 1962
Little Blackhawk
To . . .

Mr. Kuethe

In appreciation for the many hours of time and assistance which he has given the senior class and Oregon High School, we dedicate this 1962 Little Blackhawk to Mr. Homer Kuethe. As yearbook staff advisor for many years, and presently as senior class advisor, he has always been willing to do his share. His helpfulness and friendliness have won a place of high respect among all those associated with him.

Seniors will not forget quickly the many memorable events of this year, such as the excitement of football and basketball games, the fun and hard work work of the class plays, and the Home-coming and Christmas dances. Friends, teachers, and the dreaded semester exams are also among the memories. Prom, then baccalaureate and grad-uation seem to come all too quickly for members of the class.

Graduates Contemplate

For many seniors, this year has been one of making plans for the future. Some planned for jobs, while others made plans to attend schools of their choice. Many students, planning to go to colleges and universities, took the ACT and Scholastic Aptitude Tests. They visited various schools and discussed plans with parents and teachers.

The seniors found that presenting plays is fun, but requires much hard work. "Ask Any Girl," the senior class play directed by Mr. Diven, was presented in November with many members of the class participating in either the cast or on the various committees. Last year, the class of 1962 presented "January Thaw," directed by Mrs. Pazera.

Seniors

Weeks before the prom itself, senior committees are busy selecting a theme, planning decorations, contracting an orchestra, and attending to the many details which make the prom a memorable event. However, prom preparations are made by underclassmen as well, who plan for the exciting and long-awaited occasion.

The juniors have found this year to be one of preparation and hard work, as well as good times. The beginning of the year was highlighted by the selection of class rings. The National Merit Scholarship Test was offered to all juniors preparing for college. The annual College Night, held in Mt. Morris on November 8, helped many to learn about various schools.

"Twas the Night Before Christmas" provided the theme for the Christmas Dance, at which both students and many of the faculty enjoyed themselves "twisting." Second semester was filled with plans for the class play and the Junior-Senior Banquet.

The sophomore class has sponsored several projects to raise money for its treasury. During the first semester, the sophomores gave a bake sale and sold personalized stationery. Both projects were very successful. They sponsored the colorful Spring Dance in March for the entire school body. In May, they take the Iowa Test, which helps them in planning their high school curriculum.

Freshman Officers and Advisors

Mr. Koch, Advisor; Mr. Wilson, Advisor; Miss White, Advisor; Miss Collins, Advisor; Mrs. Bublitz, Advisor; J. Pelsma, Secretary; M. McPherson, President; J. Warner, Treasurer; L. Baker, Vice President.

This year's freshman class, guided by their able advisors, is the largest of the four classes. The freshmen eagerly took advantage of the activities which the various clubs offered them. Many girls joined G.A.A., Latin Club, and F.H.A.; while boys took an active part in F.C.A., F.F.A., and Latin Club. They sponsored a bake sale and a sock hop.

It was a big change for the freshmen as they entered high school, but they weathered initiation, six weeks tests, semester finals, and the I.T.E.D. tests. They are now looking forward to three more successful years.

Displays Talents

The O.C.H.S. Band serves as three distinct bands during the school year. In the fall, it functions as a marching band, presenting shows during the half times of all Oregon's home football games. After the football season, it acts as a concert band which splits into a smaller group to serve as a pep band at all home basketball games. The concert band presents two or three concerts a year, usually with the chorus. Its activities include the Christmas Concert in December, marching in the Memorial Day parade, and playing for the Commencement exercises.

Chorus Presents

The Oregon Community High School vocal music program offers a wide range of activities through its several organizations and presentations during the school year. A number of students study the solo voice; and many more participate in small groups, such as the three girls' ensembles and the two madrigal groups. The Select Choir, Girls' Glee Club, and Concert Choir prepare numbers for various concerts and musical activities. They participate in the Blackhawk Music Festival, District and State Music Contests, three concerts with the band, Baccalaureate, and Commencement.

Latin Club

The Latin Club, one of the largest organizations in the high school, is composed of members who are taking or have taken two years of Latin. In the fall, members look forward to initiation and the annual weiner roast. The highlight of the year is the Latin Club Banquet where members have the chance to "do as the Romans did." The gym is transformed into a Roman banquet hall. Upperclassmen, wearing colorful togas and tunics, recline at the tables and are served a "Roman" banquet by freshman "slaves." During and after the meal, music, plays, chariot races, gladiatorial contests, and other Roman amusements enliven the evening.

Takes Trip

The Oregon Chapter of the Future Craftsmen of America is composed of boys who have taken at least one year of industrial arts. The aims of the F.C.A. are to develop vocational and recreational interests, and encourage high standards of workmanship.

Some of the activities undertaken by the F.C.A. are sponsoring an annual movie, co-sponsoring the Tri-Club Dance, and taking a three or four day field trip to a major city. During this trip, the boys have an opportunity to tour large factories and study various industrial processes.

F.F.A. Promotes

The Future Farmers of America have become well-known in recent years as an integral part of the program of vocational education in agriculture in the public school system of America. No national student organization enjoys greater freedom of self-government under adult counsel and guidance than the Future Farmers of America. Organized in November, 1928, it has served to motivate and vitalize the systematic instruction offered to students of vocational agriculture, and to provide further training in farmer-citizenship.

F.H.A. Displays

The main goals of the Oregon Chapter of the F.H.A. are to acquaint its members with various career opportunities and to make them aware of progress in foreign relations. To achieve these goals, the F.H.A. sponsors many activities and programs during the year. This year's activities have included hiking, skating, and touring the Carnation, Bell telephone, and Kable Printing Companies. Several people have spoken at their meetings on such subjects as hair styling, The United Nations, and dietetics. Other important events were the formal installation of officers and the style show.

Underrated, Undersized,

With only four returning lettermen, the Hawks surprised the conference with a fine 5-1-1 record and a second place finishing. A tie with first place Erie and a win over highly-rated Prophetstown were two of Oregon's best games. Coach Holland, with many returning lettermen, has a good nucleus for next year's team.

Freshmen Replace Sophomores

Mr. Ellerby coached the Hawklets to a commendable 6-1 conference record. Oregon's only loss was to first place Mt. Morris. The season was a tribute to the coaching ability of Mr. Ellerby and Mr. Kirtley, who had to work without the services of seven sophomores who were taken by the varsity team.

Spearhead Varsity Attack

With three returning starters and a promising crop of sophomores, Hawk fans can look forward to a fine season next year. Mr. Koch coached Oregon to an eight and six conference record which was good enough for third place. The Hawks played two of their finest games while losing to first place Prophetstown.

to Conference Title

The Frosh-Soph capped a successful season with the Blackhawk Conference Title. Mr. Carr's team ended the year with a 14 and 0 conference and a 17 and 1 season record. The Hawklet's only defeat was at the hands of Rochelle by one point. The sophomores offer promising material for next year's varsity team.

with Conference

Oregon started its track season with a pair of tri-meets against larger schools. These early contests did much in helping the boys win the Blackhawk Conference Championship for the tenth time in twelve years. The Oregon thinclads set two records. Dick Long set a conference record in the 220 yard low hurdles with a time of 21:1 seconds. Jim Loan broke the school broad jump record but Russell Solger came back to better Jim's mark with a leap of 19 feet, 9 inches.

ROW ONE: R. Gigous, S. Boyden, J. Chasm, M. Wade.
ROW TWO: B. Himes, T. Bryer, F. Bergner, C. Gilbert, J. Lewison.

Golf Swings

Although the golf season this year wasn't too good for Oregon, next year's team looks very promising. Only one varsity player graduated. Mr. Slothower, the coach, won't be here next year but Mr. Koch will be on the course to offer help and advice where it is needed. Steve Boyden won the 1961 Golf Championship and surprised everyone by getting a hole-in-one during a practice round.

We Also Studied

Of the fifty-nine students in the 1962 graduating class, these seven students have maintained for the past four years at least a 3.2 scholastic average based on a four-point system. All of them plan to attend either college or nurses' training. In planning their courses and future education, they have been helped by Mr. Kubat, the school's guidance counselor. At the end of the school year, the Oregon Women's Club honors these students at a scholastic banquet.

Becky,

I want that red marble for my green one!
OK.?

How is that for a memory? If it is not
good enough, Remember the club?

Well, Becky it really gives me
a big?? thrill?? to sign your Little Blackhawk
you being a big?? "Soph" and me just a FRESHMAN

Be good Becky!

Susie

Becky,

It's certainly been fun knowing you and I wish you weren't moving. It's always nice to know someone who doesn't get depressed over grades and everything else.

Dan

Becky
Now I have lights the boring Biology class which I've all love so much
Tom

Becky, almost through with Mr. Wilson's wonderful, thrilling, enlightening, and fabulous class. What a relief. I sure enjoyed having you in this class - I'm afraid to say what you mean in some of mine. Have a nice summer and hope you'll be in my class next year.
Good Luck
Barry

Becky,
I feel privileged to be the first to sign your book since you must have thought of me first. HA! Lots of luck always and I hope you like gym better next year.
Meredith

Becky,
If you would have attended class & studied a little you would have passed out. But I forgive you after all you are a girl and I don't expect a girl to understand Math.
Good luck
for the future
Dan

Becky
Won't it be
nice to get out of
Biology. It's so
interesting (ha! ha!).
Good luck next year,

Joyce J.

Becky
We sure have
had some times
in gym class
haven't we. I've
really enjoyed getting
to know you this year.
You're a real sweet
girl and don't ever
change.
Best of luck all
the time
Diana

Becky
Have a great
Summer and
Good luck in
Biology. It's
never dull
in class.
I wonder if
you remember
a wonderful
and peppy
Always Judy

Becky
Best of Luck in
the future and try
not to get into
while your Driving
your Driving Buddy
Sue

Becky dear!
Have a great
Summer! How and
Biology is
fun like
too, right at
Don't
Good luck to
you always and
be a good girl
Marcia

Becky,
This past year has been fun. Especially English. Try not to get into too much trouble next year. Be good and Loads of Luck. Nancy Taft

Becky dear
English
has been quite
a time, hasn't
it? Maybe
next year will
be more!
hope not!
had some
fun like
too, right at
Don't
Good luck to
you always and
be a good girl
